

## Safety Drench Shower

Product Code: S2100

This stainless steel ceiling mounted emergency shower comes with a stainless steel shower head for maximum durability, so you can rest assured that it will be ready to be deployed during a crisis, no matter how much wear and tear it's been subjected to. In the meantime, the compact design of this unit means it'll stay out of the way of your employees until it's needed.

The fact that this stainless steel emergency decontamination shower is ceiling mounted means that it can be installed anywhere - for instance, close to particularly hazardous areas of your workplace. The unit is activated by a simple pull rod and comes with a waterproof inspection card to help encourage the weekly functional testing that is required to meet ANSI Z358.1 standards. To find out more about the requirements, [visit our guide to ANSI regulations](#).
